Scholarships and Awards

by Nancy Grindstaff
Weiser High School's Class of 2026 closed out the year with an extraordinary show of achievement and community backing, as graduating seniors were awarded a combined \$1,210,650 in scholarships during the May 8 year end awards assembly.
The total reflects local civic and memorial scholarships, collegiate awards, state programs, and contributions from corporate and business partners, recognition that underscores both the hard work of WHS students and the deep investment this community continues to make in their futures.
